PLEASE BRING THIS CATALOG WITH YOU

ANNOUNCEMENT

WE PRESENT in this catalogue our 1938 offering—twenty-eight heifers and seventeen bulls. With four exceptions they are all of our breeding, and all but two under eighteen months of age. Twenty-one—nine bulls and twelve heifers are by Proud Archer, eight are out of dams by him, and seven are from his granddaughters. Seven heifers and two bulls are by Goldspur's Favorite 2d, four heifers and one bull by Blythesome Victor, three heifers by Proud Marksman, two heifers and one bull by Leveldale Fame, and four bulls by Sni-A-Bar Sergeant.

They represent our leading families—Augusta, Marigold, Duchess of Gloster, Mayflower, Lady Dorothy, Gwendoline, Winifred, Victoria, Crocus, Susan, Clara, Lavender, Lady Ann, Jilt, Foxglove, Butterfly and Orange Blossom.

Throughout the offering is of the type and in the condition that should make for usefulness—the kind for foundation material for herd improvement. Very largely they represent from three to six generations of our breeding, and from families retained in the herd because they have proven their worth as dependable producers. We believe that all who recall our anniversary offering last November will agree with us that this is a better offering as a whole.

We have started on our second half century in Shorthorn breeding. We may not make the goal as to the number of years involved, but we believe that we are making gradual advancement toward a better type, and greater uniformity. We are encouraged by the return of breeder customers year after year. In some instances individual patronage dates back for forty years or more. Many of our patrons throughout the country have made impressive records with cattle of our breeding in their herds and in the shows. The announcement of our 1937 sale in the catalogue and the Shorthorn World covered this phase somewhat in detail and need not be further analyzed here.

We cordially invite you to attend the sale which will occur Saturday, Nov. 5.

Terms and Conditions

Our breeding guarantee is the same as that adopted by American Shorthorn Breeders' Association and in force for past several years.

The herd is Federally accredited for T. B. and all animals in the sale have passed the Bangs test. Health papers will be furnished to conform to requirements of all states to which they may go.

Cattle will be loaded free of charge at Wakarusa, Kansas. All animals held at purchasers risk after sold but reasonable care will be taken to prevent accident.

Certificates of registry and transfers will be furnished with each lot sold.

The sale will be held under cover at the farm. Lunch will be served by the Ladies Aid Society.
